PROFESSIONAL EXPERIENCE

Accenture Solutions Pvt Ltd - Mumbai

Nov 2019 - Jun 2025

Team Leader (Client: Truist Bank, U.S.)

- Led new process transitions from knowledge transfer to go-live, ensuring zero-defect and on-time delivery.
- Maintained process excellence documents, including SOPs, FMEA, SIPOC, RACI, and RCA frameworks.
- Directed end-to-end payment operations (ACH, wire, checks, transfers), achieving 99%+ SLA compliance and maintaining zero processing errors.
- Managed capacity and workload for 18 analysts across peaks, absences, and transitions, ensuring zero SLA impact in all scenarios.
- Owned end-to-end MIS reporting on productivity, SLAs, errors, and volumes; delivered insights to clients driving capacity and process decisions.
- Identified automation opportunities and redesigned workflows, reducing TAT by 33% and increasing throughput without additional headcount.
- Designed and maintained process excellence documentation SOPs, FMEA, SIPOC, RACI matrices, and RCA reports ensuring continuous audit-readiness and regulatory compliance.
- Managed KYC/AML reviews and client account maintenance for institutional and retail clients, upholding regulatory standards and internal control requirements.
- Led two process transitions from knowledge transfer to go-live within six months, ensuring zero defects and on-time delivery.
- Drove an engagement strategy proposal to leadership, implementing initiatives that supported attrition reduction from 18% to 8% across the team.
- Tracked analyst productivity via scorecards, conducted weekly coaching sessions, improving team output by 20% through targeted skill development.
- Led and trained cross-functional teams, spearheading a project delivering 18,000 requests within a 90-day timeline.

Karvy DigiKonnnect Limited - Mumbai

Dec 2017 - Aug 2019

Consultant - Loan Operations & Client Services (Client: IndiaBulls)

- Simplified and updated SOPs to reflect live process changes, reducing ramp-up time and early error rates for new joiners.
- Managed end-to-end retail loan processing operations, coordinating between clients, field verification teams, and lender back-end, with ownership of quality standards and associate training.

- Acted as SME for the process unit, resolving team queries, managing escalations, and coordinating with the lending team.
- Trained and onboarded 15-20 new associates on end-to-end loan processing, compliance guidelines, and lender requirements.
- Simplified and updated SOPs to reflect live process changes, reducing ramp-up time and early error rates for new joiners.
- Monitored individual and team quality metrics regularly, maintaining process accuracy above 95% and proactively flagging performance gaps to management whenever scores dropped below the defined threshold.
- Handled complex and escalated loan cases by coordinating between clients, field verification teams, and lender back-end operations.

V.K. Polymers Products - Nashik

Jun 2015 - Aug 2017

Accounts Executive (Client: Mahindra & Mahindra)

- Prepared monthly financial statements Balance Sheet, P&L, and Cash Flow with accurate bank reconciliation and ledger maintenance.
- Introduced an Excel-based tracking system for sales, inventory, and financial data, replacing manual file-based records and improving reporting speed and data accessibility
